Description

We are working with a highly respected law firm based in the heart of the Eden Valley to identify a talented Solicitor (NQE+) or Paralegal (minimum 2 years) to join their dispute resolution / civil litigation team. This is a fantastic opportunity for someone looking for a varied, high-quality caseload within a supportive, close-knit environment.

The Role

You will be managing or assisting with a wide range of disputes, including property, boundary and neighbour disputes, contract and commercial disputes, contentious probate and agricultural disputes, landlord and tenant matters, and debt recovery. The role can be full-time or part-time (minimum 3 days or equivalent), with at least three days in the office expected. You will be working alongside a small, experienced team, supporting clients with practical, commercially minded solutions, while also being able to work independently. A good sense of humour is also highly valued!

What's on Offer

- Competitive salary (dependent on experience)
- Supportive, close-knit team with experienced colleagues
- Possible future directorship or management opportunities
- No billing targets — focus is on quality of work
- Commitment to professional development, including funding
- Discretionary annual bonus
- Work in a beautiful rural location with a loyal local and national client base

This is a rare opportunity to join a respected firm where your expertise will be valued and where you will have the chance to make a real impact. If this sounds like it could be a good fit, we would be delighted to arrange a confidential conversation to discuss the role further.
